

Pet Beds

All photography by Animax

Be part of the Ottoman Empire

This gorgeous, large ottoman is specially designed for the grrr-ande dog. It has a plush covering that is easy to remove for washing. Sturdy chrome style feet keep this bed to an elevated height of 26cm. Comes in a choice of fabrics and two sizes.

\$155.00 small & \$205.00 large

Slumber in the Snow Leopard

This luxe bed is made from the softest faux fur. Both cushion and bed cover zips off for easy, gentle machine wash. Comfort and style is brought back from the brink of extinction with this luscious lounge.

\$149.00 small & \$189.00 large

Colourful Carnival Poufes

Perfect for dreary days, these comfy and overstuffed poufes make the ideal bed for your pooch or puss. They're light and bright and come in a variety of colour combos. The cover is reversible, fully washable and finished with a piping edge. Two sizes and three colour options are available.

\$69.95 small & \$88.00 large

Good Dog

All good dogs deserve a comfortable spot to flop and this lovely bed will ensure your friend will have the sweetest dreams. One side is snuggable polar fleece for cooler months and the other is gingham for lazy summer days. The cover zips off for easy cleaning and can be replaced each season for a new look.

\$72.00 small & \$92.50 large

Animal Magnetism

MagnaPet Wool Top Pet Bed is available in two sizes and has a 100% Australian wool fleece with 1000 gauss magnets. Magnetic therapy has long been thought to have health benefits such as improving circulation and easing joint pain. "Magnetism is the King of all secrets" -Paracelsus

\$109.95 small & \$139.95

Luxury Bed for a Princess or Prince

Too sweet! Here's a delightful, plush little bed for cats or small dogs. The bed comes complete with bone cushion. Comes in pink, green or blue tones. \$39.95

Magnetic Therapy

HELP YOUR PET... the natural way!

Magnetic therapy is fast becoming popular amongst pet owners as a non invasive and completely natural healing process suitable for cats & dogs.

The magnetic energy generated penetrates the body and interacts with the circulatory and nervous systems, stimulating blood flow, reducing pain and assisting the body's natural healing process.

ARTHRITIS . JOINT AILMENTS . CHRONIC PAIN . POST OP RECOVERY . HIP DYSPLASIA . SKIN CONDITIONS . GENERAL WELLBEING . LOTS MORE...
